

Are not two sparrows sold for a penny? Yet not one of them will fall to the ground apart from the will of your Father.
Mathew 10:29

Dear Friends,

As we come to the close of 2020, all of us at Lost Sparrows are thankful for the opportunities we were given this year to support families across the world. We are thankful that we have been able to be a part of helping children experience the love of family instead of the cold walls of an institution. We believe all children deserve the opportunity to thrive in a loving family, and we are working diligently to that end. We are also thankful for our partners that have supported us financially and allowed us to be able to continue to give children and families HOPE.

In the midst of the worldwide pandemic, God has faithfully provided new opportunities for us to engage with people all over the world. These new connections and relationships will allow us to expand our reach to more first families, foster families, teachers, and caregivers.

With your help, we will continue to encourage, educate, and support even more children and families. Your prayers and financial support are vital to ending the global orphan crisis and allowing them to experience God's love more than ever. God has a heart for children, and we are tasked with being His hands and feet to care for them.

Thank you for being a part of our vision at Lost Sparrows. Please pray for us, and consider Lost Sparrows as you think about the end of the year giving. We couldn't do it without you!

There are several ways you can donate to Lost Sparrows. You can donate with a credit card or PayPal through our website www.lostsparrows.org. Or you can mail a check to our address below.
