Lost Sparrows
**TRAUMA
CONFERENCE**

**LOST SPARROWS' TRAUMA CONFERENCE IS DESIGNED FOR
FOSTER/ADOPTIVE PARENTS, TEACHERS, AND ANYONE THAT WORKS
WITH CHILDREN, ESPECIALLY CHILDREN
THAT HAVE EXPERIENCED DEVELOPMENTAL TRAUMA.**

2021 TRAUMA CONFERENCE

Winona Lake, IN

**Lost Sparrows is excited to announce our 2021 Trauma
Conference!**

The conference this year will be a one day event, and will be held on September 25th in the Orthopedic Capital Center on the campus of Grace College in Winona Lake, IN. We have created a lineup of speakers that will be sharing their first-hand experiences and professional knowledge working with children affected by trauma. This conference will be a day filled with encouragement, authenticity, education and connection as we all join in to help children overcome challenges.

Hosted on the
beautiful
campus of

GRACE
COLLEGE

CONFERENCE INFORMATION

General Information

As fellow adoptive parents, Lost Sparrows understands that parenting and working with children from hard places can be isolating and exhausting. We decided to be intentional in bringing speakers and panelists who are also foster and/or adoptive parents.

We chose speakers who could speak to both parents and professionals about the day to day challenges of work and home life that centers around children and trauma. You will find specific information on speakers and a schedule on our website.

Sponsor Information

Lost Sparrows is looking for organizations that would like to partner with us and help support children and families. There are several ways to get involved, whether you are a business, church, non-profit organization, or individual. More information for sponsors can be found on our website at LSConference.org/sponsors.

For more information email Blythe Royaards at Blythe@LostSparrows.org.

We hope you will join us for an encouraging day of information and practical tips for helping children develop resiliency and building meaningful relationships. For more information, or to register for the conference, please visit us at LSConference.org.

"You don't have to be a thoracic surgeon to perform CPR and save a life. You don't have to be a licensed psychologist or licensed counselor to administer basic mental health first aid to your student."
- Dr. Adam Saenz
