

Pastor Alex with food and baby supplies that were delivered to Ukraine. We are so thankful for the team that made this possible.

A community in Ukraine that is being served daily hot meals.

A foster child that is supported through the Foster Care Support Project in Bulgaria.

One of the truckload of life supporting supplies sent into Ukraine.

The children in the day camp in Romania.

It's been a busy past few months and we are thankful for the opportunity to share an update. When the invasion in Ukraine began February 24th, we immediately reached out to partners in Ukraine and surrounding countries. Our partners in Bulgaria had begun housing, feeding, and caring for hundreds of Ukrainian women and children who had to flee their homes. For the past 100+ days, they have continued to provide daily assistance, including school supplies, clothing, toys, day programs and more for the families that aren't able to return home just yet.

During this time, we partnered with Pastor Alex and his team, near Odessa, Ukraine, who provides hot, daily meals and weekly supplies to vulnerable women and children and the homeless community. He and his team also go to the train station every morning to provide food to the families that are having to flee from their homes. With your financial support, we have been able to deliver several large trucks, full of food, diapers, formula, etc to Pastor Alex.

Most recently, we connected with an organization in Bucharest, Romania that is doing incredible work with Ukrainian women and children. In addition to the day camp that daily serves over 30 children, they are running a parent support group and a teacher training group for Ukrainian teachers that are now teaching refugees. They are working to create a sustainable Ukrainian community to keep women and children together and safe while waiting to go home.

#### 2022 Year-to-date totals:

- Funds raised for Ukrainian aid = \$21,801
- Funds used for Ukrainian aid = \$16,500

#### Upcoming and Current Projects:

- Modular housing for refugees = \$15,000
- Generators, propane cookstoves and food supplies = \$10,000
- Foster Care Support Project = \$9,000

Modular homes that are fully equipped to provide safe shelter for Ukrainian families. They cost \$15,000 each. The goal is to see this piece of land full of safe homes. Can you help us?

With your help we have been able to provide life-giving support to our partners helping the Ukrainian women and children that have fled the war. Thank you! If you would like to partner with us in providing aid, visit our website [www.lostsparrows.org](http://www.lostsparrows.org), or mail a check to our address listed below.

**OCTOBER 14-15, 2022**  
**GRACE COLLEGE CAMPUS**
