

God has been so faithful to Lost Sparrows this year. He has allowed us to serve thousands of children and families across the globe. In 2022 we have been able to provide shelter, food, clothes and education for women and children refugees in Ukraine and Romania, foster children and families in Bulgaria and families who have a loved one with disabilities in Bosnia. We also launched our foster and adopt support group in January, and have been able to support more than 40 families with over 60 children through our monthly gatherings.

Our Trauma Conference was a huge success, bringing together dozens of speakers from across the country to provide trauma education to over 300 parents, educators, and professionals.

We are so thankful for His blessings and His calling. It gives us much JOY to use the gifts He has given us to support families. We are also thankful for the support we have received from so many of you. Your generosity and financial support of Lost Sparrows is what allows us to

support vulnerable children and families. Thank you for your ongoing support that gives the gift of **HOPE** to so many families!

As 2022 comes to a close, we would love for you to consider helping us continue our mission locally and abroad. Together, we can continue to **Give the Gift of Hope** to vulnerable children and families. You can send your tax-deductible donations to our mailing address or through our website. May God bless all of us in 2023.

Yours Sincerely,

Darren and Stacey Gagnon
